Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 26 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain approaching from the south, drier initially in the east.

This Evening and Tonight:
Remaining cloudy throughout, with rain approaching from the south. Dry in the east through the evening, but outbreaks of rain will affect the whole region overnight, some of these heavy at times. Minimum temperature 11 deg C (52 deg F).

Sunday:
A dull start with occasional outbreaks of rain continuing from overnight, some of these heavy. Rain becoming more intense and persistent later, with risk of thunder. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Further heavy, persistent rain on Monday, with continued risk of thunder. Somewhat drier on Tuesday and Wednesday, though still outbreaks of rain likely, especially in the east.
